## **Panther Expedited Services awarded 2007 Landstar Global Logistics Expedited Carrier of the Year**

**Seville, OH** – Panther Expedited Services, Inc., the largest independent provider of premium logistics services in North America, recently received the 2007 Landstar Global Logistics Expedited Carrier of the Year award from Landstar Global Logistics, Inc., a subsidiary of Landstar System, Inc.

The criteria for this award included on-time performance, equipment availability and condition, sales representation, technology support, and customer responsiveness and were determined by the independent agents of Landstar Global Logistics, Inc.

“Panther is honored to receive this prestigious award”, said Jim Adams, Executive Vice President of Sales and Marketing. “Panther’s ongoing success is based on our ability to solve our customers’ logistics problems and to safely and securely deliver the most difficult freight in a time and manner that others view as impossible.”

### **About Panther**

Panther Expedited Services, Inc. is the largest independently owned provider of premium logistics services in North America. Panther proudly offers customers ground expedite, elite services, air freight and air charter. Panther has a non-asset based operating model and deploys a 100 percent owner/operator fleet of cargo vans, straight trucks and tractor trailers covering the United States, Canada and Mexico. Headquartered in Seville, Ohio, Panther has thousands of blue-chip customers, which include third-party logistics providers, automotive and industrial customers, technology companies and the U.S. Government. For further information about Panther, visit the firm's Web site at [www.pantherexpedite.com](http://www.pantherexpedite.com).

### **About Landstar**
